

The book you have always been looking for. **The Chemnitzer Concertina, A History and an Accolade**" by LaVern J. Rippley, will make a great addition to your library or a perfect gift for the concertina enthusiast.

The professionally published hardcover book features 304 pages of factual information on the history of this wonderful musical instrument. Read about the people and places behind the instrument and the music that it makes. There are hundreds of images throughout the book, including dozens of color photographs of concertinas from the very first prototypes to present-day models.

There is also a section dedicated to the World Concertina Congress with a complete list of the Hall of Fame members.
